

Accessibility Statement

Half Moon Bay Golf Links is committed to providing reasonable digital accessibility for people of varying abilities. We are often improving the user experience and applying the relevant accessibility standards to achieve these goals.

Our Commitment

We strive to conform to the **Web Content Accessibility Guidelines (WCAG) 2.2, Level AA**, developed by the World Wide Web Consortium (W3C). These guidelines explain how to make web content more user friendly and accessible for people with disabilities.

Our ongoing efforts include:

- Periodically reviewing our website using automated accessibility testing tools
- Working to include text alternatives are provided for non-text content
- Providing color contrast between text and background
- Supporting keyboard navigation on the site
- Including user zoom and resize text functionality
- Structuring content with headings, labels, and landmarks for screen reader compatibility
- Training our staff who manage website content on reasonable accessibility practices

Known Limitations

Accessibility is an ongoing effort. We recognize that some areas of our website may not yet fully meet WCAG 2.2 AA standards. If you encounter a barrier while using our site, we welcome your feedback so we can try to address it.

Contact Us

If you encounter accessibility barriers or have suggestions for improvement, please contact us:
